

子どもの死亡に関するデータ

国ごとの5歳未満児死亡率（出生1,000人あたり/2019年）

Note: The classification is based on unrounded numbers. This map does not reflect a position by UN IGME agencies on the legal status of any country or territory or the delimitation of any frontiers.

年齢ごとの子どもの死亡数の推移（1990年～2019年）

Note: All figures are based on unrounded numbers. The solid line in the left panel represents the median estimate and the shaded area represents the 90 per cent uncertainty bound around the median value.
